LNE Group Relocates to Bigger Berlin Office

Tuesday, 01 March 2017

Berlin. LNE Group, a government advocacy and strategic advisory firm, has today moved its Berlin-based staff into larger, more central offices. The new location will accommodate the recent growth of its enterprise and provide facilities for further growth and delivering of new in-situ advisory services.

LNE Group is headquartered in Cleveland, Ohio (US). The Berlin office is one of five global locations including Brussels, Columbus, and Washington DC.

Commenting on the move, Manuel Lianos, LNE Group's European Director, said: "We have had a number of new people join the team recently. The new office substantially increases the amount of desk space we have, and the new conference space provides opportunities for us to host interactive workshops and other events, which will help further establish the LNE Group brand in Berlin."

As of 01 March 2017, LNE Group's new address is:

LNE Group GmbH
Glinkastr. 28 / Jägerstr. 71
10117 Berlin
Germany

About us

LNE Group is an international government funding and government relations consultancy, working with clients in the United States and Europe. We believe that governments are technology development partners that can promote innovation and create new market opportunities for ambitious technology leaders, and we provide our clients with customized advisory services aimed at securing government support for their research and innovation initiatives.
